Presents

THE 2009 50+ SHOW

April 5 - May 15, 2009

BEST OF SHOW

Kid Stuff watercolor
Anita Meynig

Judge: Kaye Franklin

OPA, SPA

Judge's Remarks: It was an honor to be asked to judge the over 50's show. The over all quality of the work, in the show, was very good and judging became difficult. The key elements I look for in a painting are composition, focal point, light direction, harmony, confident handling of the medium...among other things. Congratulations to all who won and to the others keep up the good work

Thanks again for the opportunity to judge the show. Enjoy the show!

This show is funded in part by the City of Richardson through the Richardson Art Commission
